A message from Veraunda

August 27, 2009 "Because I can!"

Thank you for your email indicating that you are interested in participating in my new "Just Because I Can!" program. I am excited about being able to have conversations with individuals around the world about their lives in a meaningful way. I am delighted to be able to engage in an exchange of thoughts, feelings and ideas with you...**JUST BECAUSE I CARE and JUST BECAUSE I CAN!**

The parameters of the program are as follows: I agree to 1) Chat via telephone with you for 30 minutes at a pre-arranged time based on both of our schedules to discuss any topic you would like to have a safe place to process. Calls will be scheduled on an evening Monday through Thursday. You agree that our conversation is confidential. There is no fee associated with this 30 minute conversation and it may not be recorded in any manner. This conversation is not an advisory or counseling session of any kind including but not limited to, legal, financial, or health. It is just a simple conversation where I agree to listen and engage in dialogue on the subject matter you choose. The two callers I choose to have a conversation with each month will be notified via email so that we can arrange a call time. I look forward to talking to you...**JUST BECAUSE I CAN!**

With Kind Regards,

Veraunda I. Jackson, Esquire
Founder and CEO of EHAP Inc.
